20 cubic yard: 15'L x 7'

Set up an appointment with our customer service representative to arrange for a site visit to customize your trash and recycling service. Call us today.

## General Tips

Bins & carts need to be accessible and ready for pick-up by 5 am on the service day.

Garbage should not be loaded over the top of a cart/bin. The lid should be closed completely when the cart/bin is loaded.

Large and bulky items should not be placed in your cart/bin. Please call our office to arrange a pick-up and find applicable fees.

Access to bin and enclosures must be clear of debris and vehicles. There is an additional charge for return pick-ups.

No Hazardous Waste in the cart/bin. Please contact the City of Rio Vista for more information on how to dispose properly of your hazardous waste.

Locking devices are provided upon request. There is an additional charge for this service.

No dirt, concrete or building material in the carts or bins.

## California Laws: AB 1826 & AB 341: Mandatory Recycling

**AB 1826:** Rio Vista Sanitation Service is partnering with the City of Rio Vista to implement the new state law, **AB 1826, Mandatory Commercial Organics Law**. This law states that any business that generates more than 8 cubic yard of waste must recycle organic waste (i.e. green waste and food waste) by April 2016. The State of California provided guidance to local cities and haulers to help identify these businesses and a criteria they determined was based on the number of employees. Rio Vista Sanitation Service will contact you if your business qualifies for AB 1826.

**AB 341:** State law now requires all businesses that generate 4 cubic yards or more to recycle. This is mandatory. Government entities, non-profits and schools and multi-families with 5 units or more must recycle too!

Call Rio Vista Sanitation today to set up recycling services at 707.374.5644 or visit our website at [www.RioVistaDisposal.com](http://www.RioVistaDisposal.com) for more information on these laws.
