

Take a tour of the Recycling Center!

Mt. Diablo Recycling

reduce • reuse • recycle • respect • recover
A Garaventa Company

A great way to start off the year is by taking a free tour of Mt. Diablo Recycling Center located at 1300 Loveridge Road in Pittsburg. Mt. Diablo Recycling is the largest, state-of-the-art recycling center in Northern California with 90,000 square feet of computer-generated equipment that sorts recyclables from ordinary trash.

Mt. Diablo Recycling Center offers educational tours for all organizations. We invite you to visit our facility and learn how your recycling is separated into categories and then baled for distribution to production facilities that turn used materials into new products.

The tour is approximately 45 minutes and includes an in-depth explanation of how Big Blue (the machine that separates the recycling) operates, a question and answer period followed by a walking tour of the floor of Mt. Diablo Recycling.

Tours can be adjusted to fit the needs of the participants/businesses and are available for all age groups. For more information on a tour, please contact Adriana Medina at (925) 771-2721 or email her at Adriana.Medina@Garaventaent.com.
